

The Orthodox Christian Mission Center (OCMC) is the missions and evangelism agency of the Assembly of Canonical Orthodox Bishops of the United States of America. Its mission is to bring people to Christ and His Church by helping Orthodox faithful fulfill Christ's great and final command to "make disciples of all nations." For almost 40 years, OCMC has made this possible by training and sending long-term missionaries and short-term mission teams, supporting indigenous Orthodox clergy, and providing grants for church projects and philanthropy.

You can follow in the footsteps of the Apostles and help the Church offer a vibrant living witness of the Faith to the world!
