## We Respond to Every Letter From a Prisoner

---

OCPM sends thousands of personalized letters known as “visit by mail” that directly address each prisoner’s unique situation and spiritual needs. On average, a prisoner will receive correspondence from OCPM 120 times per year—every three days. In addition to letters, OCPM also sends Bibles, spiritual books, icons, pamphlets, and the Dynamis newsletter. We understand prisons have various and stringent rules for mail, so OCPM is careful that all of our materials adhere to these guidelines.

**For prisoners wishing to correspond, please reach us at: PO Box 277, Rosemount, MN 55068**

## Orthodox Catechism And Education

### Self-Directed Study Course

OCPM offers a 12-part course of study in Orthodox Christian theology as an introduction to the Orthodox Faith and preparation for Baptism and Chrismation. Each course uses materials published by OCPM, which we send freely to anyone in prison wishing to enroll.

## St. Athanasius Academy of Orthodox Theology

OCPM is honored to be in partnership with the St. Athanasius Academy of Orthodox Theology, an academic community of the Antiochian Orthodox Christian Archdiocese of North America. Students who are ready to take their education and their faith to the next level can earn a Bachelor’s-level degree in Orthodox Theology entirely from prison.
